BLAŽ ZORČ

MONDAY, 23 MAY
notes

We ate breakfast and got ready for the day. Then we all went to the opening ceremony at the cultural center, where we got to know the other kids. Then we headed back to the school where we had lunch. In the afternoon we played a lot of different games with the other kids. At 4.00 PM we went on a trip with the host families and that was all for the day.

TUESDAY, 24 MAY
notes

We went to school where we had a ~~the~~ little cooking competition, we were preparing a healthy breakfast in mixed groups we also prepared a apple cake. Then we had lunch which i really enjoyd. After the lunch ~~we~~ we had a workshop with the doctor of valencia Football Club, i really liked that work shop. Then we went to the nearby park where we played some orienteering games, and that was all for the day.

WEDNESDAY, 25 MAY
notes

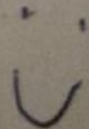

At wednesday we visited a Fallas workshop, i really enjoyed the things they were making there. We went for a walk at a beach, and later had lunch in a nearby restaurant. After the lunch we visited a Fallas museum which was amazing. Then we went to the city of Valencia where we visited some monuments. And that was all for the day.

THURSDAY, 26 MAY
notes

We went to the biggest
aquarium in Europe where we
saw a lot of animals and
a spectacle with dolphins
which was amazing.

After that we went to the
center of Valencia again to
visit some other monuments,
then we headed back to the
hotel. In the evening we had
a farewell dinner where every country
presented a traditional dance
it was very FUN and
interesting. That was all for
the day.

FRIDAY, 27 MAY
notes

It was the last day we had a closing ceremony where we got certificates, then we had a little party after the party we had lunch. We ate lunch and went to the hotel where we took our luggage and went to the airport ~~where~~ we went on the plane and flew home. I had a great trip.
