November 8th 2021.

In the morning we went to school. I didn't ~~expect~~ think the school was as big as it is. I love how the school has a front yard. I was surprised ~~about~~ how the school is so big & how the students are so obedient. I love it. It's really different and I really like how they have stores inside. After visiting the school we went to the center of the city & I didn't expect it to be so loud & full of cars. I bought a necklace. I don't really like the city but I like ~~meat~~ seeing new stuff. When we came to the hotel I was a bit dissapointed how we didn't have much time to rest. At the dinner we met a new friend, she's really nice & I enjoyed talkin' to her. That was our day.

November 9th 2021

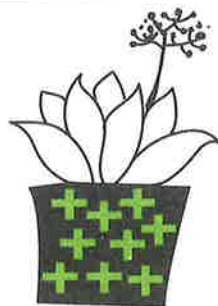

In the morning we went back to school & there were some people who came to us & talked to us, they were nice. I was a bit dissapointed about PINK POK I thought we are gonna play & not practice. P.E. wasn't really good but I guess that's ok. After that around 1 p.m. we left to a park & I was talking with the greek-girl & I really loved the trip. Good company makes everything better. The zoo was really cool & I've never seen some of the animals. Then we left to the hotel to get some rest. Around 7 we went to the mall and it was fun. Dinner was really fun & I loved the food. At the end of the day our Romanian neighbours brought us gifts & they were really adbrable. I loved this Tuesday.

After all of this we went on the bus & drove to Istanbul. On ~~our~~ the way a truck crashed our window & everyone ~~was~~ ^{was} really shocked when we got to the hotel I was surprised because me & Spela were the only ones from Erasmus in our floor. ~~After the day~~ The day has come to the end and I was tired so I went to sleep. I liked that day a lot. ~~and~~

In the morning we left our luggage at the reception and we went to the Spice Bazaar. I bought ~~many~~ a lot of teas ~~and~~ ~~my~~. Then we went to another palace and I was amazed by its size & history. Then we said goodbye to Romanians and headed to the Hotel to pick up our suitcases. we drove to the airport and it took us about an hour to get there which was really weird to me cuz we were literally in the same city the whole ride. when we got to the airport we did everything we had to and went on the plane. Flight was cool and I ^{the} really liked the whole trip to Turkey.
