We woke up at ~~8:00am~~ 8am in the morning.
At 8:30am we ate breakfast and got ready to go to Türkan Dereli Primary School ~~with~~ in Kocaeli, Izmit.
When we arrived to school, there were ~~not~~ children waiting for us and they even had our flags. ~~From~~
~~one of the~~ They got us some type of card with our name and surname written on it. On the card was even a flag but they put a France flag instead of Slovenian flag. The school was nice. We've done some work-out and we learned a turkish dance too.
After that, they prepared some snacks for us, which were good. When we ate some of the snacks, all 5 of the countries (including Slovenia) presented their typical country games. After we ate lunch we went to the centre of Kocaeli, Izmit which included different type of shops. After a while we went to the hotel to get some ~~rest~~ rest and after that we

had dinner. The dinner included all of the countries. When the dinner was finished we danced and talked to some people. At 11.30pm we arrived back to the hotel. Oh, and I forgot to mention that we even made some new friends. One is from Greece and the other ones are from Turkey.

After that we went to the gym where we've done some gymnastic. When the class was over, they prepared some snacks for us. Then we had some free time and at 1 pm we ate lunch. When we finished eating our lunch, ~~we~~ they took us to Ormanya Izmit City Park. In the park we saw a lot of cute tiny houses, an outdoor library, a zoo and a ~~lot~~ lot of other interesting things. We had some free time after that and then we went shopping. We woke up at 8am in the morning and then we went to the dining room where we ate our breakfast. After we ate our breakfast, we went to our rooms to pack our ~~suitcase~~ things back in the suitcases, because that was our last day before ~~we were~~ Izmit before we went to the big city Istanbul. When we packed our stuff we all brought our suitcases in the hotel lobby where we left them. Then the bus took us to the school. Since it was the last day there we all played the games from each country together. After that we had some lunch that school prepared for us. After lunch we had some free time and we were hanging out with some friends from Turkey. At about 5pm the school prepared dinner for all of the countries. Dinner included traditional turkish dishes. I liked some of them but not everything, because

Slovenian and Turkish dishes are very different. When we ate our dinner we all received gifts and diplomas. After we said our last goodbyes to school, we went back to the hotel and picked up our suitcases. Then all of the countries got back on the bus and we said goodbye to Izmit. The ride on the bus was great until a van hit our bus by side and the window broke in front of us. It was very scary but after a while we all calmed up and everything was great again and we finally finally came to the one and only Istanbul. We were all very tired so ~~were~~ when we came to the hotel we were very happy because we could ~~relax~~ finally relax.

We woke up early in the ^{morning} because we had to pack our stuff, cause it was our last day in the Turkey. After we packed our stuff we went on breakfast. When we bought some tea ~~we~~ we walked for a bit and then we went back to the hotel. Before we did that we said our last goodbyes to all of the countries. When we got to ~~the~~ hotel we got our suitcases and the van took us to the ~~airport~~ airport. We got through the check-in and all of this stuff and then ~~us~~ our teacher bought us some lunch. We had ~~some~~ sandwiches and water. After we ate we waited a little longer and than we ~~finally~~ finally got on a plane. On the flight there was a lot of slovenian

I am very grateful that I got a chance to travel to Turkey with my friends. I loved it there and I can't wait to go there again. In the future I will 100% be part of Erasmus+ again.

THANK you!
