Today we had breakfast at 8:30. After breakfast we took a bus to school. There were a lot of kids in front of it and they were saying hi to us. First we went to the gym. We did some exercises here and we also learned how to dance a traditional turkish ^{dance} game. Then we ate some snacks and then we had presentations of our traditional games. We found out that all countries have similar games. After presentations we ate lunch in school. It was ok. After that we went outside and we took a bus to our hotel. At 11 o'clock we went to visit with spanish team. It was nice in the city and we also went to some shops. We came to our hotel at 18:45. At 20 o'clock we went out to eat dinner. The food wasn't very bad but it wasn't very good too. At 11 o'clock we went back to our hotel.
