In the morning we woke up
and go for breakfast. After
we ate breakfast we went to
see the palace. I really liked
this palace. Then we went
back to the hotel to get ready
to go home. Then we said
goodbye to everyone and took
the bus to the airport. I was
very tired so I fell asleep
on the bus. We had to wait
at the airport until our flight.
It was very slow on the plane
so we were able to play games
and listen to music. When
we got home we were very well
received and so was I at
home. (PET)
